## **ATV Safety Resources**

### **Access to Safety Education:**

- Any youth or adults who already own an ATV can register for their appropriate ATV Safety Institute's (ASI) RiderSafety© Course via <https://atvsafety.org/#>. Payment information available on the website.
- The ASI's online eCourse must be complete before the hands on rider course can be completed.
- Courses are offered once per month in El Paso for Texas riders and Las Cruces for New Mexico riders.
- Ask your ATV retailer or ASI Licensed Instructor about the manufactures cash or value incentive for completing the online and hands on riding safety courses.
- Students ages 12-18 that complete the ASI eCourse and Youth Rider Safety Course will receive a free DOT safety certified helmet, goggles, gloves, and riding jersey from UMC's Level Trauma Center Division of Injury Prevention, through grant funding from the Yamaha Outdoor Access Initiative, while supplies last.
