Title: UMC Correctional Health Clinic Cabinetry RFP # 210-03-25-001

Subject: Questions and Answers

On behalf of the El Paso County Hospital District d/b/a University Medical Center of El Paso (UMC), please accept our appreciation for your interest in the above-referenced solicitation. **Please note the following questions:**

Question 1

All existing plumbing fixtures to be removed and re-installed in existing condition? Or replace fixtures with new?

Answer:

New sink fixtures will be installed, but existing cabinet base plumbing can be reconnected, but contractor will ensure proper install for sustainable functioning.

Question 2

All existing cabinets will be emptied and all items removed from counters by owner prior to demolition by contractor? All will items re-installed by owner?

Answer:

Yes, Jail Clinic staff will remove supplies/items prior to removal of existing cabinets and then supplies/items restocked in newly installed cabinets.

Question 3

What would be the allowed working days and hours ? We will work with selected contractor on plan for cabinetry work, as the facility is operational 24/7.

Answer:

Ideally, M-F is preferable for performing this project, but there may be some flexibility depending on project requests. Especially since other contract work is being performed at facility, and to avoid contractor staff congestion on-site and adequate support from jail facility maintenance staff.

Question 4

What do you want to do with all the cabinets that have padlocks?

Answer:

All the new cabinet doors and drawers will need to have include new locks installed to maintain safety in the Detention facilities.

Again, thank you for your interest.

Sincerely,

Liliana Guerrero
